

## *Classic Gin Cocktails*

*It's late 19th century, and someone in London becomes the first Briton to sip a dry martini. Since then, our insatiable thirst for gin cocktails has showed no sign of drying up. We have been blessed with the invention of the Tom Collins; its origins shrouded in mystery. The 20th century brought the Negroni, arguably the greatest aperitivo ever imagined. The rest, as they say, is history.*
