8 Tastes of Japan

8 TASTES OF JAPAN

The flavours associated with Japan are varied, thrilling, unexpected. Sometimes natural, other times meticulously crafted, they defy categorisation and convention.

Our cocktails explore eight distinct aspects of flavour, challenging perceptions with approachable innovation. Eight cocktails, eight tastes – each representing a phenomenon of Japanese cuisine.

Our vision is rooted in culinary tradition, with each cocktail crafted to complement dishes on our bar menu.

KEEN BEAN

Floral | Citrusy | Herbal | Smooth

18

Hendrick's gin, edamame, St-Germain elderflower liqueur,
yuzu, Green Chartreuse, lemon balm

Sprung from the wild imaginations of the garden, this cocktail is a tribute to our favourite snack: edamame. Freshly pressed pure edamame juice perfectly complements Hendrick's botanicals and the sweet florals of elderflower. A splash of yuzu brings a citrusy zing, while Chartreuse and lemon balm add herbaceous depth and an intoxicating aroma.

18

**Cachaça, shiso shōchū, ama ponzu cordial,
sudachi, Three Cents Grapefruit soda**

*Paloma meets tempura – the duo you never knew you needed.
This highball reinvents the grapefruit-led Mexican classic
with an umami-rich ama ponzu cordial, inspired by our
tempura dressing. Smooth Cachaça and herbaceous shiso
shōchū add depth, while a splash of sparkling grapefruit
soda keeps it bright. Finished with a crispy tempura tuile.*

18

Los Siete Misterios Doba-Yej mezcal, roasted & clarified
pineapple juice, pandan, jasmine & coconut milk

Beach life, with a Japanese twist. This smoky take on the classic Pina Colada uses the ancient robata technique to add deep, caramelised sweetness. Pandan leaf gives a touch of natural vanilla, while a homemade jasmine rice and coconut milk blend creates a silky finish – topped off with a baby bounty chocolate crafted from leftover coconut.

DASHING

Tangy | Daring | Enlivening | Bubbly

20

**Belvedere vodka, homemade dashi cordial, ube, citrus fruits,
Veuve Clicquot Brut Champagne foam**

*Two essentials, one bold cocktail: dashi and Champagne.
A cornerstone of Japanese cuisine (think Miso soup), dashi
holds the same cultural weight as Champagne does in France
- so we decided to shake things up. This umami-rich take
on a Gimlet layers savoury depth and bright acidity for a
refreshingly unexpected twist. Elegance, with an edge.*

THE WAGYU

Punchy | Buttery | Bitter | Warming

24

Nikka From The Barrel whisky, A5 Wagyu,
house vermouth blend, amari mix

Eating Wagyu steak is an all-senses experience, which is how we've approached this creation. Rich Wagyu beef fat is infused into whisky, creating a velvety depth that spreads a potent warmth through body and soul. Balanced with bitters and sweet vermouth, this bold, silky serve is poured over a giant ice orb. The essence of Tokyo flair, in a glass.

13

Maki Roll

clarified avocado & nori
blend, Azure sake, ginger

ROLL WITH IT

Refreshing | Zingy | Sharp | Clean

18

Diplomático Planas rum, clarified avocado
& nori blend, Azure sake, ginger

Maki roll – in a drink? We’ve deconstructed this iconic sushi staple to prove it belongs in a glass as much as on a plate. Rum blended with clarified avocado and nori creates an elegant base, while sake and ginger add aromatic zing to balance the richness – all accompanied by skewered tuna sashimi. Trust us. It works.

15

Mochi

STORM MOCHI

Adzuki bean & red wine
distillate, Adzuki bean
leftovers, Cocchi Americano,
rice wine

12

STORM MOCHI

Powerful | Sweet | Smooth | Elegant

18

Adzuki bean & red wine distillate, Adzuki bean leftovers,
Cocchi Americano, rice wine

While traditional mochi is cute and sweet, our cheeky rendition packs a punch. A powerful martini with a sweet façade, it's a cocktail of unexpected contradictions. House-distilled adzuki bean and red wine forms the base, while Cocchi Americano made with red bean by-products adds herbal depth. A touch of rice wine rounds it off with a subtly sweet finish.

PANNA COTTA

Fruity | Tart | Sweet | Vibrant

18

Haku vodka, passion fruit & peach, vanilla amazake,
Sake Ono Junmai Daiginjo, Aperol

Silky Japanese egg custards, aka chawanmushi, are often served as a light first course. But for our Italian Head Mixologist, it was a chance to go full dolce vita. This clarified cocktail blends smooth vodka with the tropical tang of passion fruit, sweetness of peach liqueur, a hint of vanilla amazake, Aperol, sake, and a luscious passion fruit panna cotta.
